“Helping Hands” Helping Local Families in Need

The Helping Hands Committee of the Shamona Creek Home & School Association is committed to providing assistance to families in need at Shamona Creek Elementary and the surrounding area with essential items for their household and their children. This helping hands program is successful thanks to the support we receive through our Home and School, faculty, community groups and families within our school community. In addition to Used Clothing Drives, Food Drives, and the 5th Grade Service Project, the committee will be helping Shamona Creek Families in need during the holidays with gift cards to Target so that they can purchase items they truly need.

We are looking for monetary donations or Target gift cards to support these families. If you are thinking about making a donation this holiday season, why not help those in need right here at Shamona Creek?

We will be collecting the donations from ***December 5 through December 16***. Just send cash, checks made payable to “SCHSA”, or Target gift card in an envelope with your child to school, addressed to "SCHSA: Helping Hands Gift Card Donations", or drop it off in the school office. Any amount you can contribute will be greatly appreciated!
